

The Wisdom of Winning (WOW Series)

Part 1

Bishop Edgar L. Vann

October 3, 2018

Knowledge – Facts, information and skills acquired through experience or education.

Intelligence – The ability to reason and understand objectively, especially abstract matter.

Logic – Reasonable thinking that makes sense.

Wisdom – Facts, information, experience. Common (or not so common) sense and insight and instinct.

1. It's the principal thing! *Proverbs 4:5-7*
2. It's a God thing! *James 1:5*
3. It's a precious thing! *Proverbs 3:13-16*
